

Fundraising Event – Host a Brunch, Lunch or Dinner

Who doesn't love a great meal out with friends and families? Ask your favorite restaurant to put together a set menu for your fundraising event and let the fun begin.

- Find a venue to host a set menu meal. A brunch or high tea can be terrific options too.
- Agree on a set menu price and add \$25, \$30 or more per meal depending on what you include and how deep the wallets of your friends are.
- Find a bottle shop or wine cellar which may donate some wine for the event.
- Contact The Fred Hollows Foundation for video clips to show, posters, newsletters, cataract simulation spectacles and other useful materials to promote your fundraising. Staff may be able to attend and give a short presentation—just ask!
- Organise a raffle to raise extra money. Ask local business for prizes such as a bottle of wine, a hamper, voucher or other goods. (See our separate How to guide – Raffles)

Please note, all monies raised for a meal, wine or raffle tickets are not tax-deductible and no tax receipt will be issued, as the purchaser is receiving goods/service, for their payment.

Any cash you receive from a generous supporter during your fundraising event is tax deductible for Australian tax payers. The easiest way to 'bank' that money is by donating to yourself on-line, using your credit card, but entering your donors name and their email address - which will generate and send them their tax receipt. Alternatively you may bank a lump sum by bank transfer or a cheque made out to The Fred Hollows Foundation – please see our 'How to guide' on how to manage cheques, cash or lump sum donations.

Have fun and Bon Appetit!
